Morality and Work

By Tibor R. Machan, Tibor R. Machan

Hoover Institution Press, U.S. Paperback. Book Condition: new. BRAND NEW, Morality and Work, Tibor R. Machan, Tibor R. Machan, In this book, Tibor Machan and his contributors examine some of the special ethical dimensions of work. They offer some controversial alternatives to conventional ways of understanding the labor market. Their proposals take a fiercely individualistic viewpoint toward many sacred cows, ultimately calling for a conceptual and actual merging of labor and management ending centuries of pseudo conflict and thus any need for a Department of Labor and national right-to-work legislation. The contributors present their controversial views on a full spectrum of work-related issues. They suggest that the minimum wage, subsidies, and price support measures violate freedom of choice for all traders in a free society. They reveal mandated employee benefits to be unfortunate labor market restrictions that actually harm workers and undermine the morality of the labor market. And they show how policies set by federal agencies such as the Food and Drug Administration violate basic property and other individual rights and create a "drug lag" between different markets as for instance, in the United States and Canada. "Morality and Work" dares to question why the right to organize and join...

Reviews

A whole new electronic book with a new point of view. It can be full of knowledge and wisdom. It's been written in an exceedingly simple way which is only following. I finished reading through this pdf in which really modified me, modify the way in my opinion.

-- **Arianna Nikolaus**

This ebook is wonderful. I have got to go through and so I am certain that I am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.
